

To whom it may concern : Over this past weekend; (July-17, 18; 2004) while watching "Nascar Races" on "NBC" television. The "F" word was broadcast while I was in the company of my Nieces and Nephews ! I was greatly offended ! I believe that they should be fined and restricted ie. 3 sec. delay or some manner ! This is not EXCUSABLE in any free airways ! Thank you and I am looking forward to hearing your reply asap !
